

Neighbourhood Enhancement Programme (NEP)

Consultation September 2013

How can we improve your streets?

Following on from the postcard consultation and co-design meetings we now have a number of proposals to enhance your neighbourhood.

If you live on one of the above streets you should have received a consultation pack through the post which enables you to have your say as to which street improvements go ahead in your area.

If you have not received the consultation pack please complete online at www.lambeth.gov.uk/nepColdharboursurvey

For more information please call 020 7926 8989 or email nep@lambeth.gov.uk
