

Cheap clean energy for the Loughborough Estate?

Over the last few years Brixton Energy has bought solar power to the Loughborough Estate and provided local people with paid work experience opportunities.

Brixton Energy is now investigating ways to directly supply local homes with clean energy from the solar panels, and to help residents cut their energy bills.

Come along on Saturday to find how you can be involved!

Also find out about our latest Education Grants.

Lunch will be provided.

When: **Saturday 25th October 2014**
